Next event - View 4 3
Explanation of the keys 3

Next event - View 4

This view can be assigned to any button or can directly be called with the 4 key.

This view shows the programs that are about to start, sorted by start time. This allows you to see which programs are about to start on the other channels.

A key to call up this view can be set in the setup menu item „Key for the Next event View“.

Explanation of the keys

The meaning of the yellow button is explained in detail under Select genre icon

Program a timer or edit an existing timer

Create and display a search from the selected event. This feature can also be used to quickly search for replays

Jumps to the program in the Guide - View 1

Toggle the display of Genre Filter groups: None/User defined/Entertainment/Information

Switch to the File Database Editor

Scroll backwards by page

Scroll forward page by page

Switches to the selected channel

OK - Long => Opens a window to select another bouquet

Display the extended information of the selected program

Jump to View 1 - Guide

Jump to View 2 - Overview
